

A watercolor illustration of cherry blossoms and branches. The main focus is a dark brown branch that curves from the bottom left towards the center. It has several light pink flowers with prominent red stamens and green leaves with red veins. Another branch enters from the top left, also bearing pink blossoms. The background is a light cream color, decorated with faint, repeating patterns of green pine-like needles and small pink buds. The brand name 'chopstix' is written in a bold, red, lowercase sans-serif font, with a registered trademark symbol (®) to its upper right.
